HELLO! From Fr Marty

Welcome to Ordinary time 2020! We enter into that small period of seven weeks where we celebrate Ordinary time. This is an opportunity for us to reflect on the routines in our lives. What patterns of behavior do you have that are healthy and life giving? What are those behaviors which need to be reflected on. Perhaps we eat too much, don't exercise enough (that's me!) or we have un-reflected emotions which are weighing us down. Archbishop Mark Coleridge talks about not having a routine, as it can stifle growth. Yet I think a routine which is well reflected can always be a good starting point. We all have our quirky ways, me more than others, yet if we reflect on the ordinariness of our own lives, this is where we can find the growth to change. *"Yesterday I was clever, so I wanted to change the world. Today I am wise, so I am changing myself."* (Rumi).

THIS YEAR WE READ MATTHEW'S GOSPEL

We delve into the Gospel of Matthew this year. Written roughly around 70-80 CE, we get an insight into the early Judeo-Christians who were trying to grapple with being Jewish and trying to embrace aspects of Jesus' life into their own religion. This is a great Gospel to read this year. We get to see how Jesus teaches the first century people to help them to change their ways. We have the wonderful Scribes and the Pharisees who try to discredit Jesus and we see the powerful turns of hand, as Jesus puts it all back on them. To help us with the Gospel of Matthew this year we also will have readings from 1 Corinthians, Romans, Philippians and 1 Thessalonians. These are great readings from Paul to ponder this year.

FUN FACT FOR SUNDAY 19th JANUARY, 2020

I am sure many of you will remember this, St John Paul (Pope John Paul II) came to Sydney to beatify Mary MacKillop on this day in 1995.

It was a wet bleak day in Sydney at Randwick racecourse, yet it was the first time an Australian had been made a saint. And just a heads up for you all, I was 19 when this happened. I was a chef in 1995 and working at TAFE to get my hospitality qualifications in Toowoomba. I had decided not to go to the seminary, since I thought I was too young. Good thing I did. If I had gone into the seminary, instead of now being 5 years a priest, I would be 20 years a priest!!!!
