This weekend, the Catholic Church in Australia marks Safeguarding Sunday, on which we pray for those who have been abused, their families and supporters. We recognise and apologise for the harm done by priests, religious and lay people in Church settings. Rebuilding trust and confidence in the Church requires constant work and vigilance. We recommit to cultural change that will help the Church be a place where people feel safe and supported.

You can find out more about the Church's work in this area at:
